16 section 101 for the Department of Defense shall be used
17 to initiate multi-year procurements utilizing advance pro-
18 curement funding for economic order quantity procure-
19 ment unless specifically appropriated later.

20 SEC. 103. Appropriations made by section 101 shall
21 be available to the extent and in the manner which would
22 be provided by the pertinent appropriations Act.

23 SEC. 104. No appropriation or funds made available
24 or authority granted pursuant to section 101 shall be used
25 to initiate or resume any project or activity for which ap-

1 appropriations, funds, or other authority were not available
2 during the fiscal year 1995.

3 SEC. 105. No provision which is included in an appro-
4 priations Act enumerated in section 101 but which was
5 not included in the applicable appropriations Act for fiscal
6 year 1995 and which by its terms is applicable to more
7 than one appropriation, fund, or authority shall be appli-
8 cable to any appropriation, fund, or authority provided in
9 this joint resolution.

10 SEC. 106. Unless otherwise provided for in this joint
11 resolution or in the applicable appropriations Act, appro-
12 priations and funds made available and authority granted
13 pursuant to this joint resolution shall be available until
14 (a) enactment into law of an appropriation for any project
15 or activity provided for in this joint resolution, or (b) the
16 enactment of the applicable appropriations Act by both
17 Houses without any provision for such project or activity,
18 or (c) November 13, 1995, whichever first occurs.

19 SEC. 107. Appropriations made and authority grant-
20 ed pursuant to this joint resolution shall cover all obliga-
21 tions or expenditures incurred for any program, project,
22 or activity during the period for which funds or authority
23 for such project or activity are available under this joint
24 resolution.

1 SEC. 108. Expenditures made pursuant to this joint
2 resolution shall be charged to the applicable appropriation,
3 fund, or authorization whenever a bill in which such appli-
4 cable appropriation, fund, or authorization is contained is
5 enacted into law.

6 SEC. 109. No provision in the appropriations Act for
7 the fiscal year 1996 referred to in section 101 of this joint
8 resolution that makes the availability of any appropriation
9 provided therein dependent upon the enactment of addi-
10 tional authorizing or other legislation shall be effective be-
11 fore the date set forth in section 106(c) of this joint reso-
12 lution.

13 SEC. 110. Appropriations and funds made available
14 by or authority granted pursuant to this joint resolution
15 may be used without regard to the time limitations for
16 submission and approval of apportionments set forth in
17 section 1513 of title 31, United States Code, but nothing
18 herein shall be construed to waive any other provision of
19 law governing the apportionment of funds.

20 SEC. 111. Notwithstanding any other provision of
21 this joint resolution, except section 106, whenever an Act
22 listed in section 101 as passed by both the House and
23 Senate as of October 1, 1995, does not include funding
24 for an ongoing project or activity for which there is a
25 budget request, or whenever an Act listed in section 101

1 has been passed by only the House or only the Senate
2 as of October 1, 1995, and an item funded in fiscal year
3 1995 is not included in the version passed by the one
4 House, or whenever the rate for operations for an ongoing
5 project or activity provided by section 101 for which there
6 is a budget request would result in the project or activity
7 being significantly reduced, the pertinent project or activ-
8 ity may be continued under the authority and conditions
9 provided in the applicable appropriations Act for the fiscal
10 year 1995 by increasing the rate for operations provided
11 by section 101 to a rate for operations not to exceed one
12 that provides the minimal level that would enable existing
13 activities to continue. No new contracts or grants shall
14 be awarded in excess of an amount that bears the same
15 ratio to the rate for operations provided by this section
16 as the number of days covered by this resolution bears
17 to 366. For the purposes of the Act, the minimal level
18 means a rate for operations that is reduced from the cur-
19 rent rate by 10 percent.

20 SEC. 112. Notwithstanding any other provision of
21 this joint resolution, except section 106, whenever the rate
22 for operations for any continuing project or activity pro-
23 vided by section 101 or section 111 for which there is a
24 budget request would result in a furlough of Government
25 employees, that rate for operations may be increased to

1 a level that would enable the furlough to be avoided. No
2 new contracts or grants shall be awarded in excess of an
3 amount that bears the same ratio to the rate for oper-
4 ations provided by this section as the number of days cov-
5 ered by this resolution bears to 366.

6 SEC. 113. Notwithstanding any other provision of
7 this joint resolution, except sections 106, 111, and 112,
8 for those programs that had high initial rates of operation
9 or complete distribution of funding at the beginning of the
10 fiscal year in fiscal year 1995 because of distributions of
11 funding to States, foreign countries, grantees, or others,
12 similar distributions of funds for fiscal year 1996 shall
13 not be made and no grants shall be awarded for such pro-
14 grams funded by this resolution that would impinge on
15 final funding prerogatives.

16 SEC. 114. This joint resolution shall be implemented
17 so that only the most limited funding action of that per-
18 mitted in the resolution shall be taken in order to provide
19 for continuation of projects and activities.

20 SEC. 115. Notwithstanding any other provision of
21 this joint resolution, except section 106, the rates for oper-
22 ation for any continuing project or activity provided by
23 section 101 that have not been increased by the provisions
24 of section 111 or section 112 shall be reduced by 5 percent
25 but shall not be reduced below the minimal level defined

1 in section 111 or below the level that would result in a
2 furlough.

3 SEC. 116. The provisions of section 132 of the Dis-
4 trict of Columbia Appropriations Act, 1988, Public Law
5 100–202, shall not apply for this joint resolution. Included
6 in the apportionment for the Federal Payment to the Dis-
7 trict of Columbia shall be an additional \$217,000,000
8 above the amount otherwise made available by this joint
9 resolution.

10 SEC. 117. Notwithstanding any other provision of
11 this joint resolution, except section 106, the authority and
12 conditions for the application of appropriations for the Of-
13 fice of Technology Assessment as contained in the Con-
14 ference Report on the Legislative Branch Appropriations
15 Act, 1996, House Report 104–212, shall be followed when
16 applying the funding made available by this joint resolu-
17 tion.

18 SEC. 118. Notwithstanding any other provision of
19 this joint resolution, except section 106, any distribution
20 of funding under the Rehabilitation Services and Disabil-
21 ity Research account in the Department of Education may
22 be made up to an amount that bears the same ratio to
23 the rate for operation for this account provided by this
24 joint resolution as the number of days covered by this res-
25 olution bears to 366.

1 SEC. 119. Notwithstanding any other provision of
2 this joint resolution, except section 106, the authorities
3 provided under subsection (a) of section 140 of the For-
4 eign Relations Authorization Act, Fiscal Years 1994 and
5 1995 (Public Law 103-236) shall remain in effect during
6 the period of this joint resolution, notwithstanding para-
7 graph (3) of said subsection.

8 SEC. 120. Notwithstanding any other provision of
9 this joint resolution, except section 106, the amount made
10 available to the Securities and Exchange Commission,
11 under the heading Salaries and Expenses, shall include,
12 in addition to direct appropriations, the amount it collects
13 under the fee rate and offsetting collection authority con-
14 tained in Public Law 103-352, which fee rate and offset-
15 ting collection authority shall remain in effect during the
16 period of this joint resolution.

17 SEC. 121. Until enactment of legislation providing
18 funding for the entire fiscal year ending September 30,
19 1996, for the Department of the Interior and Related
20 Agencies, funds available for necessary expenses of the
21 Bureau of Mines are for continuing limited health and
22 safety and related research, materials partnerships, and
23 minerals information activities; for mineral assessments in
24 Alaska; and for terminating all other activities of the Bu-
25 reau of Mines.

1 SEC. 122. Notwithstanding any other provision of
2 this joint resolution, except section 106, funds for the En-
3 vironmental Protection Agency shall be made available in
4 the appropriation accounts which are provided in H.R.
5 2099 as reported on September 13, 1995.

6 SEC. 123. Notwithstanding any other provision of
7 this joint resolution, except section 106, the rate for oper-
8 ations for projects and activities that would be funded
9 under the heading “International Organizations and Con-
10 ferences, Contributions to International Organizations” in
11 the Departments of Commerce, Justice, and State, the Ju-
12 diciary, and Related Agencies Appropriations Act, 1996,
13 shall be the amount provided by the provisions of sections
14 101, 111, and 112 multiplied by the ratio of the number
15 of days covered by this resolution to 366 and multiplied
16 further by 1.27.
